The image shows a NetIQ CloudAccess login interface. At the top, there is a blue header with a user icon on the left and the NetIQ logo on the right. Below the header, the text "NetIQ® CloudAccess" is displayed. The main area contains two input fields: "Användarnamn:" with the value "Toep0003" and "Lösenord:" with a masked password represented by ten black dots. A "Sign in" button is located at the bottom right of the form.

8: Här väljer du en fyra siffrig kod som du kommer att behöva ange när du vill logga in i din app

The image shows a "Set Passcode" screen from an app. At the top, there is a dark header with "Cancel" on the left and "Set Passcode" in the center. Below the header, the text "Enter a passcode" is centered. Underneath, there are four empty square input boxes arranged horizontally for entering a four-digit passcode.

9: Ange samma kod igen

10: Klart!
